

PERSONAL INFORMATION

Maria Vargas

POSITION

Associate Professor in Anesthesia and Intensive Care Medicine – University of Naples Federico II, Naples, Italy

WORK EXPERIENCE

15/01/21 to the present

Associate Professor
University of Naples Federico II, Naples, Italy

30/12/2016–14/01/21

Researcher and Assistant Professor
University of Naples "Federico II", Naples (Italy)
Researcher in Intensive care unit and anesthesia.

10/02/2016–29/12/2016

Consultant in anesthesiology and Intensive Care Medicine
University of Naples "Federico II", Naples (Italy)

01/08/2014–31/12/2015

Consultant in Anesthesiology and Intensive Care Medicine
Mediterranean Neurologic Institute (NEUROMED), Pozzilli (Italy)

EDUCATION AND TRAINING

01/07/2009–01/07/2014

Trainee in Anesthesia and Intensive Care Medicine
University of Naples "Federico II", Naples (Italy)

2002–2008

Medical Degree in Medicine, Faculty of Medicine, University of Naples Federico II

PERSONAL SKILLS

Mother tongue(s)

Italian

Other language(s)

English

UNDERSTANDING		SPEAKING		WRITING
Listening	Reading	Spoken interaction	Spoken production	
C2	C2	C1	C1	C1

Levels: A1 and A2: Basic user - B1 and B2: Independent user - C1 and C2: Proficient user
Common European Framework of Reference for Languages

Organisational / managerial skills

Leading author of more than 80 published papers in journal with impact factor in the field of Intensive/critical care and Anesthesia

Hospital Coordinator for the program named “antimicrobial stewardship in ICU: protocols for clinical practice”

Former Member of NEXT ESICM COMMITTEE

Member of the Task Force SIAARTI (Italian Society of Anesthesia and Intensive Care) Airway Management Study Group

International coordinator: Comparison between automated pressure support ventilation, variable pressure support ventilation and non-variable pressure support ventilation in weaning from mechanical ventilation - PSWEAN study - NCT03018483

International coordinator of a survey from European Society of Intensive Care Medicine (ESICM) entitled : Tracheostomy in intensive care. Worldwide survey

National coordinator of italian multicenter study from Italian Society of Anesthesia, analgesia and intensive care medicine (SIAARTI) entitled: Procedures, Complications and follow-up of percutaneous tracheostomy in intensive care units - PCFTracheoTrial. SIAARTI protocol n°643/13. Clinicaltrials.gov identifier: NCT1899352

National coordinator of a survey from Italian Society of Anesthesia, analgesia and intensive care medicine (SIAARTI) entitled : Multicenter survey on clinical practice of percutaneous tracheostomy in intensive care. SIAARTI protocol n°434 28 march 2012

Job-related skills

- IBM certified statistician specialist for SPSS
- User of meta-analysis software for scientific research
- Developer of ICUCharts app for IOS and google play

Honors and Awards

In 2016 I was awarded for the best research trial sponsored by Italian society of anesthesia and intensive care (SIAARTI) and MSD pharmaceutical company – Trial name: percutaneous tracheostomy with double lumen endotracheal tube – a randomized controlled trial

Grants
