

2nd International Webinar of Me.F.A.V.S.

Mediterranean Federation for Advancing Vascular Surgery

Organized jointly between Me.F.A.V.S and RSCN Executive Boards

Thursday March 18, 2021

9:30 a.m. → 1:00 p.m.

On-Line Event

FINAL PROGRAM

Innovative approaches to training and education are pivotal to large scale uptake of new technologies in the provision of high quality, cutting edge services to citizens. Sharing knowledge and good practices is at the core of sustainability, and of Me.F.A.V.S. mission.

The main objective of this workshop is to further increase the content developed during the joint meeting with RSCN held on December 2, 2020, nailing the focus down to:

Aim of the session is a comparison of experiences among Northern and Southern Mediterranean Area, Middle East, Central and Northern Europe Countries on postgraduate schools, educational and training systems for the best preparation of new generations of Vascular Surgeons.

Some Italian Vascular Surgeons will illustrate the topics selected and detailed below and all foreign panelists in addition to other Italian Colleagues, are kindly invited to express their experience and the organizational models in their countries and/or personal educational and training systems.
